AB 1	WATCH	Apr 10, 2019 pending	**Water quality: integrated plan: Salinas Valley**	Appropriates $2,000,000 to the state water quality control board for use by the Central Monterey County Regional Water Management Group for a pilot integrated plan to address the drinking water and wastewater needs of disadvantaged communities in the Salinas Valley where water meters have been affected by nitrate contamination, and requires the remaining money from the study to be used for a pilot water plan or running it side-bside of current practices	$10 Our major concern is the possible reduction in water supply. The bill as the study currently concerned with water quality and not water supply. Additionally, environmental benefits of water supply organizations. So far, we feel it beneficial, but we will continue to watch it.	Assembly Appropriations	Apr 15, 2019	2019 requires 2/8 vote to pass - in Assembly Appropriations Suspense File. Assembly Environmental Safety and Toxic Materials amendments lifted on 4/2 (amendments are attached). 4/4 hearing set, 4/8 amendments to be taken and bill sent to Appropriations suspense file
AB 8	WATCH	Jan 31, 2019 referred	**Alternative fuel and vehicle technologies: funding programs**	Funds programs to enhance hydrogen fuel infrastructure and fuel cell electric vehicles. Specifies funding entities, programs & expenditures		Assembly Transportation	May 6, 2019	requires 2/3 vote to pass - in Assembly Transportation. 4/15 hearing set, 4/24 hearing postponed to 5/1
AB 23	SUPPORT	Apr 29, 2019 referred	**State responsibility areas: fire prevention fees**	repeal the SRA fire prevention fees	There were a large number of loose ends and inequities on 2011's SRA fee. Additionally, there were a large number of properties who are situated within the district. This bill repeals the fee. Our concern is that the loss of funding. We are supported by but the fee should be repealed. No one is our knowledge has actually received a service for paying the fee.* * The money collected is not being used to exclusively fund fire prevention services. * Many people who pay this "fee" reside in local fire districts, which provide all of their fire protection and fire prevention services. * Local districts provide mutual aid services to the SRA, but they do not receive any benefit from the fee for those services. * There are large districts that regularly receive mutual aid assistance from [illegible] (e.g., Los Angeles County) that are NOT paying this fee.	Assembly Appropriations	May 1, 2019	In committee. 5/16 amendments taken and bill sent to Appropriations suspense file

AB 153	WATCH	Apr 25, 2019 referred	**California Global Warming Solutions Act of 2006: offset**	This bill, if the state Air Resource board uses its authority to include the use of market-based compliance mechanisms, would require the state board to ensure that offsets are real, that they are verified process for the review and consideration of new offset protocols and, commencing in 2014 and annually thereafter, that the state board hold at least one workshop to consider potential revisions -- AB 32 requires the state board to adopt regulations for the creation of green jobs, second to improving air quality and economic conditions in the state, and third to achieving greenhouse gas reductions.		Assembly Natural Resources	May 1, 2019	4/3 hearing postponed at author's request. 4/1 analysis posted
AB 293	WATCH	Apr 25, 2019 referred	**Coastal resources: coastal development permits: penalties.**	The bill would prohibit the commission, with respect to violations that are resolved through the issuance of an application for a coastal development permit for a project on property that is subject to an existing commission enforcement action, if a violation has been sent, or a cease and desist order, restoration order, or notice of violation has been recorded against the property, from being issued or renewed. The bill would authorize the commission to resolve any unresolved dispute between the commission and the applicant regarding the terms of the implementation of the stone dominion or a hearing. This bill would authorize the commission to issue a coastal development permit for a development partly for development on such a lot if the commission finds that the development. The bill would prohibit the commission from taking action on a coastal development permit application for certain reasons, as determined by the commission.	Anything that combines the Coastal Commission and the Bay Conservation and Development Commission is a good idea. Additionally, earmarking stinks to boot. AB 340	SUPPORT	Apr 25, 2019 referred	**California Global Warming Solutions Act of 2006: public meetings**	Exempts exemption granted to Western Climate Initiative for Regina Keene Open Meeting Act	WCI desperately needs some assistance on the concepts that will hopefully help it. Overall, the public has no access to how the Governor's Office is working with WCI and what scheme is being handled. 4/24 According to the posted analysis, the author's office has indicated that the intent of imposing open-meeting requirements only on conference call meetings. 4/8 527 and 4/24 Western Climate Initiative, Inc. to follow the Bagley-Keene sunshine law. WCI is a nonprofit corporation that does not fall under would fulfill sunshine requirements. CLFA thinks this needs watched. We have no position currently on the bill. The amendments forecasts can even be considered.	Assembly Governmental Organization	4/24/2019, May 1, 2019	3/27 hearing set, 4/3 hearing postponed at author's request. 4/1 analysis posted, 4/24 hearing canceled. 4/24 amendments, reconsideration granted
AB 345	SUPPORT	Apr 25, 2019 referred	**California Global Warming Solutions Act of 2006: public meetings**	The new amendment includes a couple of technical changes that will hopefully help to move the project to lastly. First, it needs to report to the governor's office and legislature on the progress of the program and implementation of the program. There is still no motivation for the program to be successful. Second, that managing the program has to be done by only unpaid action, nor is there any compensation. Finally, the new amendments in greenhouse gases may be due to businesses leaving the state and going to other states. Overall, we feel it would be a net loss to the program due to increased transportation costs of the final product.	4/24/2019, May 1, 2019	3/27 hearing set, 4/3 hearing postponed at author's request. 4/1 analysis posted, 4/24 hearing canceled. 4/24 amendments, reconsideration granted
AB 378	WATCH	Jan 31, 2019 referred	**California Global Warming Solutions Act of 2006: Low Carbon Fuel Standard**	Sets criteria that need to be considered when using a "life cycle analysis" to determine compliance with the cumulative greenhouse gas emissions standard for transportation fuels. Requires a report to the Legislature on the determination.		Assembly Natural Resources	may be heard 3/14/19	2/21 assigned to Natural Resources. 3/14 assigned to Natural Resources, 4/4 amended
AB 384	WATCH	Apr 25, 2019 referred	**Energy: Road to 2050 Board**	Creates the Road to 2050 Board, consisting of 9 members, to develop a comprehensive statewide plan for achieving an independent research group to formulate the plan. Requires the plan to be submitted to the Governor and Legislature and to be updated by members of the committee and the tasks of the committee.	A "Maintenance of the Codes" bill. 4/22 amendments do not occur in the sections of interest to CLFA.	Senate Environmental Quality	4/24/2019, 5/14/19	3/21 assigned to Rules. 4/24 hearing postponed by request to Senate. 4/25 assigned to Environmental Quality
AB 418	WATCH	Apr 25, 2019 referred	**California Air Resources Board: Local Emission Reduction Program**	Creates a Local Emission Reduction Program and provides grant money from the General Fund for greenhouse gas emission projects and job training.	The offending phrase in section 39980 is: "(1) Prevent cumulative emissions of criteria pollutants and toxic air contaminants from open spaces lands to save taxpayers money and improve air quality in gas emissions." Helpful amendments would be: 1) add a new section to the end of the bill that would amend the 3/4/13 2011 offending phrase added - further clarifying that the funds collected would be used for other purposes but also concerned about mechanism to be used. 2) Amendments would be helpful to ensure that the funding is not appropriated by legislature	Assembly Natural Resources	May 1, 2019	3/21 from printed 2/15, not yet assigned to committee. 3/4 assigned to committee, 3/14 hearing postponed by committee. 4/11 hearing set, 4/18 hearing canceled at request of author. 4/22 amendments
AB 468	WATCH	Jan 31, 2019 referred	**Insurance: Disaster Management, Preparedness and Assistance Surcharge**	creates a disaster management fund funded by a surcharge on house insurance, funds may be used by CAL FIRE, CalOES and the National Guard, repeals SRA fee	this is more palatable to homeowners than Assembly Natural Resources	Apr 29, 2019	4/9 gut and amend following 4/8 hearing. 4/11 hearing set, 4/18 hearing canceled at request of author. 4/22 amendments
AB 497	WATCH - need to assess impacts on roles with regard to timber	Jan 17, 2019 Pub and Wildlife	adjusts meeting rules and notifications rules for the Fish and Game Commission; 2011 amendment adds a requirement that the commission consider regulations, regulations in Natural Gas Code Sections 11043.4, 11045, 11.1348.4, 11348.8, 11348.9	reduces the number of meetings commission is required to hold, requires the Secretaries for Resources and Environmental Protection to develop and set forth a plan to make the commission less accessible to the public	Assembly Natural Resources	Apr 29, 2019	4/9 gut and amend following 4/8 hearing. 4/11 hearing set, 4/18 hearing canceled at request of author. 4/22 amendments

AB 769	WATCH	Feb 21, 2019 referred	**Taxation: deductions: net operating loss carryback**	disallows the use of net operating loss carrybacks for individuals and corporations, will there is a large addition to the bill that requires a justification for the loss. The bill would require a determination of the cost effectiveness in meeting the public goals which it was designed for. It also advocates for sunset clauses for tax credits. Overall, we feel that this bill would be a net loss for conserving tax credits and sunset clauses, nothing new added	this may apply to members who are trying to harvest timber during a bad year, but have previous year's statements. As we understand it, this bill would not affect the income fluctuations forward, but one timber typically has lots of years of losses and then a big year when they harvest. Overall, we feel that this bill would be a net loss for conserving tax credits and sunset clauses, nothing new added	Assembly Revenue and Taxation	5/6/2019	from printed 2/21/19, not yet assigned to committee. 4/1 hearing set, 4/16 amended, 4/23 hearing postponed to 4/30, 4/16 amendments
AB 784	WATCH	Feb 21, 2019 referred	**Environmental quality: California Environmental Quality Act: exemption: transportation projects: use of landfill and organic waste**	exempts biofuel conversion projects and composting projects from CEQA if they "will result in a net reduction in greenhouse gases"		Assembly Natural Resources	4/15/2019, canceled	from printed 2/28/19, not yet assigned to committee. 4/1 hearing set, 4/16 amended, 4/17 hearing canceled at request of author
AB 818	WATCH	Feb 21, 2019 referred	**Air pollution control: penalties**		looks like a bounty-hunting provision to target cities for enforcing civil case of air quality violations	Assembly Natural Resources	4/29/2019 postponed by committee	from printed 2/28/19, not yet assigned to committee. 3/7 assigned to Assembly Natural Resources and Assembly Judiciary Committee. 4/3 hearing set, 4/8 hearing postponed to 4/29, 4/8 amendments. AB 875	OPPOSE	Apr 01, 2019	**Forest Management**	provides funding from the AB 1492 money pool for pilot projects seeking efficiencies and cost savings in forest management. Also requires a report on the improvement. 4/22 amendment places the amount of funding that can be set to sent to administrative projects at $10 million	The latest amendment to this bill put an exorbitant amount of money into the fund for administrative costs and not for actual forest restoration projects. There are a lot of forest restoration projects that could benefit from this funding, but not this bill.
