Bill	Support/ Oppose	Latest Action	Title	Intent	Analysis	Committee	Hearing Date	Status
AB 1	SUPPORT	Jan 04, 2021 Water quality: agricultural drainage: salinity and nitrate control.	Appropriates $2,000,000 to the state water resources control board for the Central Valley Salinity Coalition to support the development of a salinity and nitrate management plan to address the drinking water and agricultural drainage problems in the Central Valley. Requires the plan to include a prioritized list of projects to address salinity and nitrate discharges. Requires the plan to be developed in consultation with stakeholders representing the plan or amendments to the water quality control plan for the Central Valley.	2112 The major concern is the possibility that the plan will not be developed in a timely manner. The plan should include a prioritized list of projects that address environmental, farming and water supply concerns. The bill is fair, but not beneficial, but we will continue to watch it.	Assembly Natural Resources	No date 3/29/21	Inquiries (2) vote to pass - in committee. 4/19 hearing postponed by committee. 4/19 hearing postponed by committee. 4/19 failed passage in committee. 4/19 held under reconsideration in committee
AB 8	SUPPORT	May 24, 2021 Alternative fuel and vehicle technologies: funding programs	A funds programs to enhance hydrogen fuel station network development. Requires an annual report to the legislature. Appropriates an annual $13 amendment bonus amount the fees authorized by the bill		Assembly floor	No date 5/26/21	Inquiries (2) vote to pass - in committee. 4/19 hearing postponed by committee. 4/19 failed passage in committee. 4/19 held under reconsideration in committee. 5/24 Resources: do pass as amended. 5/24 passed Appropriations
AB 22	SUPPORT	Mar 04, 2021 State responsibility areas: fire prevention fees	repeal the SRA fire prevention fees	There were a large number of new state and inspection of the SRA fire prevention fees. Many of the new fees are for properties who are served by a local fire district and pay taxes for fire protection. Agency fees for fire inspection. The fees are not increased. No one in our knowledge has ever been needed a permit for putting a "tent" in. The money collected is not being used for fire prevention services. * Many people who pay the "fee" reside in the SRA and pay taxes for local fire protection and fire prevention services. * Last districts provide mutual aid assistance to CalFIRE but do not receive any benefit from the tax for those services. * There are long stories that regularly receive mutual aid assistance from CalFIRE and Los Angeles County that are NOT paying into the	Assembly Natural Resources	No date 4/19/21	AB 22
AB 37	↑ MOVED	May 24, 2021 Environmental quality: California Environmental Quality Act: exemption: proceedings	Requires the lead agency, at the request of a project applicant, to prepare a record of proceedings concurrently with EIR reports. Requires the record of proceedings to include all documents and other materials prepared by the lead agency or submitted to the lead agency by state environmental to respond. Sunset	Anything that combines the Coastal Commission and Marin Muira is automatically worrisome	Assembly floor	No date 5/26/21	In committee. 3/18 amended. 4/19 hearing set. 4/19 amended. 4/19 hearing postponed by committee. 5/24 passed Appropriations. 5/24 held under reconsideration
AB 73	↑ MOVED	Mar 11, 2021 19 Budget	Where appropriations for support of state operations exceed $1,000,000		Assembly Rules		
AB 74	SUPPORT	May 24, 2021 State responsibility areas: fire prevention fees	repeal the SRA fire prevention fees	see AB 22	Assembly floor	No date 5/26/21	In committee. 4/1 hearing set. 4/12 amended. 4/19 hearing postponed by committee. 5/24 passed Appropriations. 5/25 hearing set. 5/26 hearing postponed by committee
AB 102	SUPPORT	May 24, 2021 California Global Warming Solutions Act of 2006: fees	The bill, if the state Air Resources Board is authorized to include the cost of greenhouse gas emissions in the fees it charges to a refinery, board, or or delivery January 1, 2014, to adopt a regulation that requires a petroleum refinery that has offset products and, commencing in 2015 and annually thereafter, to submit to the board a report review and consider new offset products. -- If the board determines that a new offset product is due to the creation of good jobs, workforce training, and the protection of public health, it may adopt health and environment benefits across the state. -- The bill requires the board to consider, to the maximum extent feasible, an emissions reduction or application for a covered development project to be consistent with the applicable regional sustainable communities strategy. -- The bill would authorize the board to establish a greenhouse gas emissions reduction order, or notice of violation has been issued, and the violation is not corrected as required. The bill would authorize the executive officer of the board, or an employee of the board executive director and an applicant regarding the emissions reduction order or notice of violation hearing. The bill would authorize the environmental leadership development project to be considered a development project for development on such a project. -- The bill would require the board to adopt, by July 1, 2014, a schedule of fees authorized by this section, consistent with	Assembly Natural Resources	4/26/2021 Governmental Organization	In committee. 3/18 amended. 4/19 hearing postponed. 4/19 failed passage in committee. 4/19 held under reconsideration in committee. 5/24 Resources: do pass as amended. 5/24 passed Appropriations. 5/25 hearing set. 5/26 hearing postponed by committee
AB 103	SUPPORT	May 24, 2021 California Global Warming Solutions Act of 2006: public meetings	Requires executive officer of the State Air Resources Board to hold at least one public meeting each year to present the board's annual budget. Requires the executive officer to present the board's annual budget at a public meeting.	WCI desperately needs some scrutiny in its proceedings. As it currently stands, the proceedings are a sham. The WCI is not accepting the property rights for the offsets that they are selling. According to the posted analysis, the Governor's May Revise budget for the Board of Forestry (and meeting requirements) is $1.5 billion. Considering that AB 32 and SB 135 also have provisions requiring the Board of Forestry to spend funds, the Board of Forestry would receive $3+ billion. Considering that, the Board of Forestry would fulfill economic requirements.	Assembly Natural Resources	4/26/2021 Governmental Organization	3/31 assigned to hearing. 4/5 amended. 4/19 hearing postponed. 4/19 failed passage in committee. 4/19 held under reconsideration in committee. 5/24 Resources: do pass as amended. 5/24 passed Appropriations. 5/25 hearing set. 5/26 hearing postponed by committee
AB 104	SUPPORT	May 24, 2021 Timber harvesting plans: exempt activities	two criteria that need to be considered when using such "carbon rating" of timberland: (1) whether the controller "greenhouse gas emissions associated with the timber harvesting operations and (2) whether the timber harvesting		Assembly floor	No date 3/18/21	3/31 assigned to Natural Resources. 4/5 amended. 4/19 hearing set. 4/20 amended. 4/26 hearing postponed by committee. 5/24 passed Appropriations. 5/25 hearing set. 5/26 hearing postponed by committee
AB 144	SUPPORT	May 24, 2021 Air Resources Board: Sub-Slab Low Carbon Fuel Standard	Requires the Air Resources Board to establish emission reduction. The AB amendment require the board to establish a sub-slab low carbon fuel standard for the liquid, specifies the reporting cycle, specifies the duties of the board, and requires the board to report to members of the committee and the fates of the committee.		Assembly Natural Resources	No date 3/18/21	3/31 assigned to Natural Resources. 4/5 amended. 4/19 hearing set. 4/20 amended. 4/26 hearing postponed by committee. 5/24 passed Appropriations. 5/25 hearing set. 5/26 hearing postponed by committee
AB 164	↑ MOVED	Jan 04, 2021 Timber harvesting plans: exempt activities	The bill would increase the size of trees that may be harvested under a timber harvesting plan (THP) or nonindustrial timber management plan (NTMP) and one of trees that may be removed from 30 DBH to 36 DBH. The bill would also increase the size of trees that		Assembly floor	No date 3/18/21	4/5 hearing set. 4/20 amended. 4/26 hearing postponed by committee. 5/24 passed Appropriations. 5/25 hearing set. 5/26 hearing postponed by committee
AB 168	SUPPORT	May 24, 2021 Insurance: Disaster Assessments, Preparedness, and Awareness Surcharge	creates a disaster management fund funded by a surcharge on insurance. A note may be used to CalFIRE, CDFW and the National Guard. repeals the fund. requires the department to report to the legislature. requires the Department of Insurance to	this is more palatable to Democrats than a surcharge on insurance. The bill is a way to get to help our income issues. This bill would be a good way to get funding for fire prevention and mitigation.	Assembly Insurance	No date 3/18/21	4/5 gut and amend following SB 438 hearing. 4/19 referred to Insurance. 4/19 hearing postponed by committee. 5/24 Insurance: do pass as amended. 5/24 passed Appropriations. 5/25 hearing set. 5/26 hearing postponed by committee
AB 169	SUPPORT	May 24, 2021 Fish and Game Commission: admission and qualifications	Requires the Governor to appoint a commissioner who is a member of the Fish and Game Commission. Requires the commissioner to be appointed from a list of nominees submitted by
