This bill repeals the fee. The arguments opens the fee includes " Fees are a tax and should be subject to voter approval. No one is in our knowledge has challenged the fees in court. " The money collected is not being used to exclusively fund fire prevention activities. " Many people who pay this "fee" reside in rural fire districts, which provide all of the protections and fire prevention services. " Local districts provide mutual aid responses to SRA fires, and these areas are not benefit from the fee for those services. " There are large districts that regularly provide mutual aid responses to CalFIRE for wages for events the Los Angeles County that are NOT paying the fee.
