AB 1	WATCH	Apr 13, 2021	**Water quality: integrated plan: fairless valley**	Appropriates $2,000,000 to the state water quality control board for use by the Greater Monterey County Integrated Water Management Group to develop an integrated plan for the Fairless Valley area to address nutrient needs of disadvantaged communities in the Salinas Valley whose drinking water is impacted by nitrate discharges. Will amendment allows any remaining money from the study to be used for projects that result in or running it rate tests of plan contents.	2012 Cap mooor concern is the possible expansion of the Cap to be a source for water transfers. The Cap is not known to have a broad support base in Sacramento/Delta/Bay Area water supply organizations. So far, so bad is beneficial, but we will continue to watch it.	Assembly Appropriations	8/9/2021	8/9/2021 hearing postponed by committee. (Stakeholder meeting to be scheduled) 8/23/2021 hearing postponed by committee. (Stakeholder meeting to be scheduled)
AB 8	WATCH	May 3, 2021	**Alternative fuel and vehicle technologies: funding programs.**	Extends funding programs to enhance hydrogen fuel infrastructure and zero-emission vehicle deployment. Will amendment makes technical changes.		Assembly Appropriations	May 3, 2021	5/3/2021 hearing: Placed on Assembly Appropriations suspense file
AB 23	SUPPORT	May 3, 2021	**Water responsibility area: fire prevention fees**	repeal the SRA fire prevention fee.	There were a large number of lowa wins and inequities in Cal Fire's fee legislation, including double-taxation of properties in the Lake Tahoe Basin and Shasta. Did repeal fix the issues? The arguments against the fee include? Fees are not taxes, but they are not voter approved. No one is or knowledge has regularly received a service for paying the fee.	Assembly Appropriations suspense file	May 1, 2021	5/3/2021 hearing: Placed on Assembly Appropriations suspense file. Will be heard in committee on April 4 hearing set 4/12 analysis available. 4/26/2021 hearing postponed by committee. 5/3/2021 hearing set, 5/7 sent to suspense file
				The money collected is being used to exclusively fund fire prevention projects. * Many people who pay this "fee" reside in areas that are not responsible for fire protection and fire prevention. * Local districts provides mutual aid assistance to CalFIRE but do not receive any benefit from the fee for those services. * There are large districts that regularly receive mutual aid assistance from CalFIRE but pay the fee, such as the Angeles County that are NOT paying this fee.			
AB 37	WATCH	May 3, 2021	**Environmental quality: California environmental quality act: record of preparation**	Requires the lead agency, at the request of a project applicant, to prepare a record of preparation related to an EIR or negative declaration, including negative declarations, environmental impact reports, and environmental impact statements. No date reimbursement is required. Sunset clause for January 1, 2031.		Assembly Appropriations suspense file		3/11 assigned to committee
AB 73	WATCH	Mar 11, 2021	**2013-14 Budget**	Budget bill to provide support of state government for fiscal year 2013-14.		Assembly Budget		3/14 assigned to committee
AB 124	SUPPORT	May 3, 2021	**Water responsibility area: fire prevention fees**	repeal the SRA fire prevention fee.	see AB 23	Assembly Appropriations suspense file		in committee; 4/1 hearing set; 4/12 analysis available. 4/26/2021 hearing postponed by committee. 5/3/2021 hearing set, 5/7 sent to suspense file
AB 137	WATCH	May 3, 2021	**Environmental quality: California environmental quality act: record of preparation**	Requires the lead agency, at the request of a project applicant, to prepare a record of preparation related to an EIR or negative declaration, including negative declarations, environmental impact reports, and environmental impact statements. No date reimbursement is required. Sunset clause for January 1, 2031.		Assembly Appropriations suspense file		3/11 assigned to committee; 4/5 hearing set; 4/12 analysis available. 4/26/2021 hearing postponed by committee. 5/3/2021 hearing set, 5/7 sent to suspense file
AB 153	WATCH	Apr 29, 2021	**California Global Warming Solutions Act of 2006: offsets**	This bill, if the state Air Resource board uses its authority to include the use of market-based compliance mechanisms, would require the state board, on or before January 1, 2015, to adopt specified process for the review and consideration of offset projects and protocols, and to adopt, by regulation, a process for the review and approval of offset projects and protocols that includes specified assessment provisions offset protocols. Prior to adopting a protocol, the bill would require the board to qualify it through public communities, the public health and environment benefits across the state and in the communities in which emissions reductions, from thing as a condition for approval an application for a coastal development permit for a project that is subject to a cap-and-trade regulation state for where a violation notification has been issued, or a violation of statute has been determined, a notice of violation has been issued by the state board, or a violation has been resolve any unresolved dispute between the applicant and the state board regarding the implementation of the above provisions at a public hearing. This bill would authorize the commission to adopt a regulation establishing a process development permit for development carried out in the coastal zone. The bill would prohibit the commission from taking action that would prohibit the commission from taking action that would prohibit the commission from taking action that
